A Message From Our Executive Director

Here we are, turning yet another corner in the year; landing us right in the midst of beautiful autumn! There is nothing like the crisp weather to make us excited for the change of seasons; football, colorful leaves and the return of our favorite warm foods!

The fall colors remind me of our own lives and how the seasons change for each of us. Hardships and success come and go and through it all we learn more about ourselves. That is why working with seniors is so enriching, through their seasons of life they have obtained so much wisdom; I am only lucky that I am given the opportunity to listen and learn from them. Some stories are victories, some of hard times and yet all come with a lesson of perseverance and strength.

Thank you to our residents for being my mentor and teaching me patience and strength. With grace, Karissa
