Be Thankful

Start your year off with kindness and appreciation—January is National Thank You Month. Often people are critical instead of thankful, and an honest “thank you” can mean the world to someone. This month, focus on expressing gratitude and doing nice deeds for others. A kind word to your friend, neighbor, coworker, or family member could make their day!

Thank You!

“Approach the new year with resolve to find the opportunities hidden in each new day.”

—Michael Josephson
