### Caricature

We had a blast with the Caricature Artist! At first some of the residents were a little bit hesitant to have their face drawn into a cartoon, but once they saw a few others go before them, they quickly changed

their minds.

## A Message From the Executive Director

This summer has been one for the record books! We have missed the visits from family and the special celebrations that had to be put on hold due to Coronavirus. Our team at Kinship Pointe works diligently to make this a special place for them, a place they truly feel is "home".

As we have worked through the transition to a new management company, I would like to thank everyone for their patience as some policies and daily processes have changed. If you have not started following us on Facebook, please go to Kinship Pointe Wayne to like and follow our page. While you are there drop a review for families that may be interested in Kinship Pointe to read!

As always, if you have any questions or concerns, please feel free to reach me by phone or email! With grace, Karissa
