Dreamer's Place

Famous Firsts: Black Friday

The day after Thanksgiving is one of the busiest shopping days of the year, known as Black Friday. The term has been traced back to 1950s Philadelphia, where it was used to describe the chaos caused by the traffic and crowds of shoppers who filled the city in advance of the weekend's annual Army-Navy football game. It was the late 1980s before the name was used nationwide, with retailers employing it to promote holiday sales.

Associate of the Month

Sami Scheffler

Sami has really grown in her role as the sales manager. Not only in the community around us, but also with keeping the connections she has made with the residents. Sami is always willing to lend a helping hand in other departments. Thank you, Sami, for being a great part of our Kinship family.
