Rainbow World

Sunshine and Smiles

We are so blessed to have such a wonderful community. Especially during these times of uncertainty. Being able to have Rainbow World come up to our community. Just to play games, color with sidewalk chalk, kick balls around, blow bubbles, and just to hear the children laughing has been such a great entertainment for our residents.

Happy Anniversary

We would also like to wish Arnold and Joan M. a Happy 71st Anniversary on September 4.

A Message From the Executive Director

257,760 minutes. 4,296 hours. 179 days. March 6th to September 1st. This is the amount of time our residents and family members have had to navigate the troubles of Coronavirus. This is a lot to ask; families should never be away from their loved ones. We understand any frustrations and sadness that these trying times have brought. However, I have seen amazing cooperation from our families, residents and staff.

It has been a blessing working with each of you through this; I have been given patience, understanding and kindness in regards to the restrictions. I believe we all know that this is bigger than us and we just need to continue working together to make the best possible outcome. Please reach out to us if you have an idea for a fun event or a way to connect better with your family member. With much appreciation, Karissa
