Love Is All Around

"When you put love out in the world, it travels, and it can touch people and reach people in ways that we never even expected." —

Laverne Cox

Sealed With a Kiss

Introduced in 1907, Hershey's Kisses are now one of the most popular candies purchased for Valentine's Day. To meet Cupid's demands, it's estimated that more than 750 million of the little chocolate drops are produced for the holiday.

Winter Wonder Land

It might be cold outside, but it's nice and warm inside.

Shannon has only been with us for a few months but has picked up on things and it seems as she has been working here for years. She can think critically and does not waste time when it comes to resolving issues. She is kind to the residents and her coworkers. She always stays calm and has a smile on her face. Since starting she has been faced with many difficult situations and she uses them to grow instead of bringing her down. She helps out wherever whenever she can.
