Seniors and Summer Heat

While many of us love summer weather, extreme heat is particularly dangerous for those 65 and older. Beat the heat this month by drinking plenty of fluids, eating fruits with high water content and avoiding the outdoors during the high temperatures.

Life's a Peach

The peach, that sweet summer fruit, has long been a way to describe someone or something lovely—think "You're a peach!" or "Things are just peachy." The 1950s brought the fun phrase "peachy keen," and an idyllic existence is sometimes called "peaches and cream"—as in "Life is not always peaches and cream." Get a true taste of what these words are all about by enjoying some fresh peaches this month. You may find the experience just peachy!
