The Arrival of Fall

The word "fall" comes from the phrase "fall of the leaf," an Old English expression that was commonly used to reference the season in the 1500s. Autumn, from the French word *automne*, became part of the English language about a century later.

Patriot Day

The nation's annual remembrance of 9/11, Patriot Day is also a National Day of Service. Since 2002, people across America pay tribute to the victims, survivors and heroes of Sept. 11 by volunteering in community service projects.

Squirrely Behavior

Scientists say squirrels go on the offensive as they hoard nuts in late summer and early fall. If a squirrel thinks it's being watched—by another squirrel, a predator or a human—it will hide the nut in its cheek and pretend to bury it, sometimes more than once, to protect its stash from would-be thieves.

Social Visits With Family And Friends

If family members are interested in enjoying time with their loved ones during an activity social, please let the front desk know so we can make accommodations for all.

Our residents enjoyed feeding them.

Northridge County Fair Social

We had such an amazing time with the horses that came to visit.

Q: I am a fruit but also a shape. If you had two of me, I would sound just the same. Remove my first letter, and you can still listen; take away the last, and I can still be eaten! What am I?

A: Pear.
